Course catalogue: traditional music (Poitiers)

Please read this course catalogue carefully and use it as a "guideline" while choosing the courses for your study plan you will include in your application to the traditional music department in Poitiers.
You can select the courses freely to make the best study plan possible for you. You can choose up to 34 ECTS/semester.

If your application is accepted, use this same course catalogue for your online learning agreement, drawn up for you with your home institution. It will define the detailed content of your studies during the exchange period. It must be created on OLA: https://learning-agreement.eu/ and must be signed by all parties before your arrival but might be changed during your mobility.

Exemple of study plan for one semester:

ONE SEMESTER	**ECTS**
ARTISTIC PRACTICE (mandatory) Principal study subject Instrumental course	13
SPECIFIC SUBJECTS (mandatory) Specific courses Ensemble projects or sessions	5
COMPLEMENTARY COURSES Select courses according to your study department and interest	14
TOTAL	32

NB: you can choose up to 34 ECTS/semester

French language courses

The Centre Français Langue Étrangère of the University delivers several courses : DEFLE
As you have to pay for those courses, they cannot be included in your Erasmus learning agreement. However, the Centre FLE will deliver you extra ECTS.

DESCRIPTION OF THE COURSES

In this part of the document, you will find information on each course, all in the same format:

Name	ECTS	Semester
IN ENGLISH In French Short description	Number of ECTS per semester	Autumn Spring

Nota Bene:

The number of ECTS is meant per semester, even for courses that take place through all the academic year.

Take this into account when making your study plan in the application form and on OLA.

- Applying for one semester ⇨ choose the subject code according to the semester (-S1 or -S2)
- Applying for 2 semesters ⇨ choose the subject twice, with the 2 different codes

Most of the complementary courses are linked to the study field. You can download the study plan and description of the study plan (in French) of the percussion department on the website: www.resonances-na.eu

Languages of teaching

All the courses are given in French. However, in individual lessons and small groups, some teachers can teach in English.
